ORIGINAL E DIVERTIDA COLECÇÃO DE CRÓMOS

álbum de cromos

GENTE
de quem se fala

AMIGO COLECCIONADOR:

Estes são os cromos mais pluralistas que poderias imaginar.

Todas as figuras são tratadas por igual. Esperemos que não sejam **maltratadas.**

Só considerámos um critério: «brincar» com aqueles que estão mais em voga, desde os écrans da Televisão às páginas da Imprensa.

Muitos deles estão ou estiveram em posições de comando. Outros talvez venham a estar. Uns governaram, outros governam, outros ainda talvez venham a governar.

No fundo, são GENTE DE QUEM SE FALA.

Faz esta colecção e guarda-a bem guardada.

É colecção que faz uma época.

Até à próxima.
